Interior – Komfort und Ausstattung
Interior – Comfort and features

Beleuchtung: Sie können Ihr Möbel mit umfangreichen Beleuchtungsoptionen ausstatten: LEDs mit einer angenehmen Lichttemperatur in den Wandborden und Glaskanten sowie als Spots in den Vitrinen. Besonders komfortabel können Sie die verschiedenen Beleuchtungen mit der neuen 5-Kanal-Funkfernbedienung steuern.

Auch für ein atmosphärisches Licht im Regalboden gibt es eine Lösung. *There is also a solution for equipping shelves with atmospheric lighting.*

Das Wandbord lässt sich stimmungsvoll in Szene setzen.* *The wall board can be highlighted in a particularly atmospheric way.**

Lighting: You can choose from extensive lighting options for your furniture – LEDs with a pleasant light temperature in the wall boards and glass edges as well as spots in the cabinets. The new 5-channel radio remote control allows for a particularly comfortably control of the various lighting systems.

Die Vorteile der LED-Line-Beleuchtung der Glaskanten liegen in der Gleichmäßigkeit des Lichtaustritts.* *The advantage of LED-lighting in the glass edges lies in the evenness of the emitted light.**

Mit der Funkfernbedienung steuern Sie ganz bequem die einzelnen Beleuchtungskomponenten in Ihren Möbeln. *It is easy to operate the individual lighting components of your furniture with the remote control.*

Von außen nicht zu erkennen: Die Komfort-Funktion wird beim Öffnen erkennbar. *Invisible from the outside: the comfort function becomes evident on opening.*

Komfort-Tablarauszug: Mit dem Komfort-Tablarauszug können Sie wertvollen Stauraum in Sideboard und Schrank nutzen. Die Auszüge kommen Ihnen beim Öffnen der Tür entgegen, so dass Sie bequem von oben hineingreifen und Sachen verstauen können – damit gehören schlecht zugängliche Ecken im Schrank der Vergangenheit an. *Comfort pull-out tray: The comfort pull-out tray enables you to use the valuable storage space in the sideboard and cupboard. The pull-outs move towards you as the door is opened so you can easily access them from above and put things away – making hard-to-reach cupboard corners a thing of the past.*
